

Daniel Lankin

*My name is Daniel Lankin, 25,
I come with a great desire and a great deal of ambition to
learn and enrich knowledge as a software developer, with a
high work ethic.*

Skills:

- C# ,.NET
- REACT
- ANGULAR
- C
- JS

*In C # I worked on an employee management system for my
brother who works as a manager of cleaners.*

*In C I worked on projects of the college on the subject of
calculations and advanced data structures.*

*In the JS language I built games and projects in all kinds of
courses in UDEMY etc.*
